## **LONG TERM REDKITE SUPPORTER - APP CORPORATION - TURNS 21**

---

Turning 21 is a milestone in anyone's book. For APP Corporation, Redkite's long term supporter and National Organising Sponsor for the Redkite Corporate Quiz, 2010 will mark 21 successful years in the corporate sector.

To acknowledge this achievement APP is hosting a series of 21<sup>st</sup> cocktail events across each of their 8 branches across Australia. Clients, colleagues and industry figures have been attending the celebrations which began in March, with Redkite a VIP guest at each function.

Ian Maxted is APP's Chief Executive Officer and Director, and a passionate supporter of Redkite. Mr Maxted says: "APP has been involved with Redkite since 1997 and we are proud to be a part of growing the Redkite name throughout the corporate community through the annual Corporate Quiz. From a single event in Sydney with a couple of hundred people attending, the function has grown to become a highly successful national fundraiser. Our goal this year is to break the \$732,000 raised nationally in 2009 and APP will be right there alongside Redkite working towards achieving this target."

Jenni Seton, Redkite's Chief Executive, has nothing but praise for APP's achievements both in business and in their contribution towards Redkite over 14 years. Says Ms Seton: "APP is a true success story in the business world. From humble beginnings in 1989 they have grown to be a leader in their field and well respected. I've seen their professionalism and passion in action via

their hands on involvement in organising the Corporate Quiz. We couldn't do it without them and I'm proud to have them as a long-term and long-time supporter of Redkite”.

**Ian Maxted with guest Tessa Court, Regional Council member with Redkite in Victoria, at APP's 21<sup>st</sup> Birthday function in Melbourne.**

APP Corporation is a 300-strong professional consultancy working in project management, consulting, events, infrastructure, engineering project management, property and urban development. They are working on some of Australia's largest infrastructure projects including the \$5.0b Brisbane Airport Link and \$1.8b Adelaide Desalination Plant, as well as landmarks like the

new Star City Casino in Sydney, Melbourne's ANZ Headquarters, the Formula1™ Australian Grand Prix and the multi award-winning National Portrait Gallery in the ACT Parliamentary Triangle.
