

WALES HOUSE FITOUT, SYDNEY

Client

Westpac Banking Corporation

Location

Sydney, NSW

Value

\$7m

Completion

1996

As part of the Customer Services Centre (CSC) programme, Wales House at 66 Pitt Street, Sydney underwent extensive fitout and refurbishment activities.

The creation of this new business unit with Westpac Banking Corporation called for a cost effective solution to be provided within a minimum timeframe to enable the operation of the new business.

APP was appointed by Westpac as Project Manager to assist in the preparation of the client brief.

APP's role was also to control all aspects of design and construction which involved close cooperation with the numerous Bank representatives to ensure integration of the competing priorities.

The Wales House project involved the substantial upgrade of the existing building services (given their age) as well as a \$1.5m upgrade and maintenance restoration of the sandstone façade.
